

ANDRIS 2 TOP WI-FI

ITALIAN SMART CONTROL TECHNOLOGY.

TITANSHIELD TECHNOLOGY FOREVER NEW.

Ariston has been always committed to develop products that last through time. Twenty-five years ago, it was the first electric water heater manufacturer to use titanium against water corrosion. Today the new exclusive **TitanShield technology**, and the **PATENTED full-titanium heating element** are simply the best solution in the market. For this reason, Ariston provides this unique component with a **LIFETIME WARRANTY**

AQUA ARISTON NET COMFORT ON YOUR SMARTPHONE.

With Aqua Ariston NET App, you can keep Andris 2 Top Wi-Fi always under control and **adjust its parameters remotely** from your smartphone. Get more peace of mind and increase your pleasure: thanks to Aqua Ariston NET you can monitor consumption and save energy wherever you are.
